GO GREEN DAY

Friday 22nd June marks Go Green Day 2018

As our annual day of action, we encourage schools, businesses and community groups to 'go green', raising money and awareness in support of Size of Wales' fantastic projects working to tackle climate change.

In previous years, we have seen a huge variety of fundraising activities from ditching the car and cycling to work or school, holding a bake sale, or dressing head to toe in green. We encourage you to get creative with it! Use **#GoGreenDay** to show off your fundraising efforts.

For more information, please visit our website: sizeofwales.org.uk, if you have any questions, please get in touch with us by emailing gogreenday@sizeofwales.org.uk

Thank you. Your small actions make a big impact towards tackling climate change. We are also very proud to add that for every £1 you raise, we will double it.
